

SCRIP5.14.09

We now have the information on the Kroger program. If you have not read the Kroger Community Rewards link please do so as soon as possible.

As of May 1, 2009 you will earn tuition credit through Kroger through your Kroger Plus Card. You will no longer have to purchase a reloadable card through the school.

Go to the St Mary School website for more information.

Tim Hortons is now offered in a \$10 card at 5% and McDonalds is now a \$10 card.

We sent out statements on Monday- please check you child's backpack for them. As of right now- we only sent out statements with over \$25 in tuition credit. If you did not receive one and believe that you should have- please contact Erica at 756-4314.

All Scrip updates are on the website. Please check weekly.
