SCRIP PROGRAM

We just received word that Chief Cooker will be closing their retail store on December 30. If you have unused gift certificates please use them immediately. They will be maintaining their coffee bar in the hospital though.

Scrip is looking for volunteers to help us out. If you are interested in helping email Erica at gaibs@sbcglobal.net.

Thank you so much for supporting the Scrip program throughout the Holidays and the rest of the year.

Merry Christmas and Happy New Year from the Scrip Committee!

OTHER WAYS TO HELP ST MARY'S SCHOOL

Meijer Community Rewards Program is a donation given by Meijer to schools based on the amount of purchases you make. Enroll by completing an application by mail or online at www.meijer.com/rewards and you will receive a Guest Card. (***Please designate our School Code #354246***). Each time you shop, present the card at check out and your total amount spent will be registered for our school. It's that simple. Give extra cards that you receive to family & friends and their purchases will also count! Checks are sent from Meijer to our school monthly.

Target Stores – when shopping at Target stores, 1% of your purchases made on your Target Guest Card will be automatically donated back to our school. THIS IS FREE MONEY! Just designate St. Mary School on your application, or if you already have a Target Card, just call 1-800-316-6142 to have our school name added to your account. This is not limited to parents...anyone can participate and designate St. Mary School to receive the donation. Our school's involvement also allows for access into other Target programs, such as their Mentoring Program, Teacher Scholarships for continuing education and college scholarships for our children.

*St Mary's School is
a gem..parents,
faculty, and staff
make it sparkle!*

This weeks thanks.....

This week, we would like to recognize the hard work of Mrs. Zysk. She does a fabulous job of keeping the St. Mary's School website current. We want to continue to keep everyone up to date with the "happenings and events of St. Mary's School" on the website. This could not be accomplished without her hard work. Thank you Mrs. Zysk!

Please remember that the School Board minutes, Home and School minutes and Thursday Thoughts are available for your review on the website. This includes the most recent and prior issues. You will also find the weekly newsletter, class updates, and other information there. Please check it out!
