April 29, 2010
Carlton Rider
Principal

Open registration for the 2010/2011 school year is on-going and will continue through the summer months. For staffing and budget purposes we try to limit registration for those who currently have children registered to the first two weeks of March but there are many who don't always keep to that schedule for various reasons. We are in the process of contacting those we have not heard from at this point. I realize that several are waiting to see if they have received financial assistance from the diocese or local tuition assistance. We will work with you if finances are a factor in choosing a Catholic education for your children. Please call the office if you have any questions concerning making a Catholic education a reality.

Your child has been hard at work in creating a masterpiece for our Art Fair, which will take place on May 5th between 6:00 p.m. – 8:00 p.m. in our gym. Students art work will be framed and on display that evening. You may purchase a custom frame package for your child's artwork at a special price of \$29.95. Please check your child's book bag as additional information was sent home by way of your child's homeroom teacher this past Wednesday.

May is traditionally the month that we honor Mary, Mother of God, in special ways. Most classrooms try to say a decade of the rosary each day, there are May altars in our classrooms, and parishes have special May crowning. I hope that, in some way, your family will take time to honor Mary during this month of May in a special way.
