

Administrator's Report  
St. Mary Advisory Board Meeting  
Tuesday, October 14, 2008  
Faculty Room

1. Our Opening School Mass with Bishop Campbell went very well as I noted in my Thursday Thoughts on September 18<sup>th</sup>.
2. Interim reports were distributed on September 25<sup>th</sup>. These reports are indicators as to what a student is doing to this point in the grading period. The first quarter ends on Friday, October 24<sup>th</sup>.
3. The program *Too Good for Violence* is being presented to our 6<sup>th</sup> grade students by a representative from The Recovery Center. The program will continue until the end of this first semester in early January.
4. According to Mrs. Lindsey, our librarian, the recent Book Fair was a big success. Many thanks to all our students and their parents for their support of the Fair.
5. Our Kindergarten students sang a very nice song before our all school Mass on Thursday, October 2<sup>nd</sup> in honor of our Guardian Angels. Many thanks to Mrs. Wettersten for preparing our students to sing this song.
6. We are in the process of once again preparing for our reaccreditation. The first step in this process includes the giving of surveys to various representatives of our school community, the compiling of the results of the surveys and developing our student academic and Catholic identity goals which we will be working on during the next five years after our external validation meeting a year from this coming February.
7. In honor of the feast of Our Lady of the Rosary, all of our students gathered in church on Tuesday, October 7<sup>th</sup> for the saying of special prayers and singing of hymns to our Lady. This special celebration was prepared by our school liturgy committee.
8. Mary Ritchey, our advisory board secretary, would like to ask that you bring a copy of your report to the meeting and give it to her so that your report can be put into the board minutes. This would help her to make sure that all items from your report are included in the monthly minutes.
