

**Spanish Enrichment starts October 7<sup>th</sup>**

The Spanish enrichment program will be held this year on Tuesdays after school until 4:00.

This enrichment program utilizes the Rosetta Stone computer program to teach kids Spanish through spoken words and pictures. The students participate in this activity for half of the class and then have a classroom portion. In the classroom the children learn conversational Spanish with a Spanish 4 student from Fisher Catholic.

Children in grades 2-6 are eligible for this program and the form below needs to be returned by Friday September 26<sup>th</sup>. Class will start the first Tuesday of October.

Any questions should be directed to Jane Dodds 740-654-6288.
