Giant Eagle Apples for Students Program

Please watch your Thursday Folder for information on the Giant Eagle Apples For Students fundraising program that is being designed for St. Mary's. It is a free and easy program where the school gets credit for every time anyone who has designated us on their Giant Eagle Card spends money at the store or gas station. There is no cost for the program but many benefits in the form of free supplies and materials for our school and teachers.

Leanne Fabrycki Ross will be coordinating this program. Please help support this fundraising effort for St. Mary's.

**St Mary's
School is a
gem..parents,
faculty, and
staff make it
sparkle!**

Lost and Found

There are many nice items in the school's lost and found collection. Please remind your children to check the area for any lost items. The items are donated by St. Mary's School to the Saint Vincent DePaul Foundation if they remain unclaimed. You can prevent lost items by clearly marking your children's belongings before sending them to school.

Other Fundraising Programs for St. Mary's School

Meijer Community Rewards Program is a donation given by Meijer to schools based on the amount of purchases you make. Enroll by completing an application by mail or online at www.meijer.com/rewards and you will receive a Guest Card. (***Please designate our School Code #354246***). Each time you shop, present the card at check out and your total amount spent will be registered for our school. It's that simple. Give extra cards that you receive to family & friends and their purchases will also count! Checks are sent from Meijer to our school monthly.

Target Stores – when shopping at Target stores, 1% of your purchases made on your Target Guest Card will be automatically donated back to our school. **THIS IS FREE MONEY!** Just designate St. Mary School on your application, or if you already have a Target Card, just call 1-800-316-6142 to have our school name added to your account. This is not limited to parents...anyone can participate and designate St. Mary School to receive the donation. Our school's involvement also allows for access into other Target programs, such as their Mentoring Program, Teacher Scholarships for continuing education and college scholarships for our children.
